Part #825-050 Earphone Pocket Kit

PART #	DESCRIPTION	QTY
810-055	Earphone Pocket SuperMask®/MOD-1	2

Tools Required:

- None

THERE IS NOT A LEFT OR RIGHT EARPHONE POCKET

NOTE

1) Remove the strap keepers from the temple and jaw straps and remove straps from mask.

2) Thread the mask straps through the top and bottom loops of the ear pocket. NOTE: The loop with the angled cut is the TOP loop. The earphone pocket opening should face forward and the KMDSI hang tag will be at the back of the earphone pocket.
