## **Bulletin #2 of 2011. May 12, 2011 Change To Product Bulletin Helmet Chin Strap Assembly**

The SuperLite® 17C, P/N's 500-599 and 500-600, now comes standard with an internal chin strap assembly, P/N 505-111 (sold as Chin Strap Assembly, P/N 525-716). The internal helmet chin strap assembly is intended as a secondary helmet restraint system recommended by KMDSI.

For further information on the chin strap restraints, please review the KMDSI General Notice 1 of 2009. Go to [Product Bulletins](#) on the Kirby Morgan website: [www.kirbymorgan.com](http://www.kirbymorgan.com).

See your Kirby Morgan price list for pricing.

*Please contact your local KMDSI dealer or e-mail KMDSI at [sales@kirbymorgan.com](mailto:sales@kirbymorgan.com) for more information.*
